UL Standard for Safety for Gate Valves for Fire-Protection Service, UL 262

Eighth Edition, Dated February 26, 2004

Summary of Topics

This revision of UL 262 dated July 19, 2023 is being issued to provide clarification for year of manufacture in marking, [29.1](#).

Text that has been changed in any manner or impacted by ULSE's electronic publishing system is marked with a vertical line in the margin.

The new and revised requirements are substantially in accordance with Proposal(s) on this subject dated May 26, 2023.

All rights reserved. No part of this publication may be reproduced, stored in a retrieval system, or transmitted in any form by any means, electronic, mechanical photocopying, recording, or otherwise without prior permission of ULSE Inc. (ULSE).

ULSE provides this Standard "as is" without warranty of any kind, either expressed or implied, including but not limited to, the implied warranties of merchantability or fitness for any purpose.

In no event will ULSE be liable for any special, incidental, consequential, indirect or similar damages, including loss of profits, lost savings, loss of data, or any other damages arising out of the use of or the inability to use this Standard, even if ULSE or an authorized ULSE representative has been advised of the possibility of such damage. In no event shall ULSE's liability for any damage ever exceed the price paid for this Standard, regardless of the form of the claim.

Users of the electronic versions of UL's Standards for Safety agree to defend, indemnify, and hold ULSE harmless from and against any loss, expense, liability, damage, claim, or judgment (including reasonable attorney's fees) resulting from any error or deviation introduced while purchaser is storing an electronic Standard on the purchaser's computer system.

The second edition was titled Outside Screw and Yoke Gate Valves and numbered UL 262B.

First Edition – March, 1931
Second Edition – August, 1950
Third Edition – June, 1966
Fourth Edition – May, 1973
Fifth Edition – April, 1980
Sixth Edition – November, 1988
Seventh Edition – May, 1994

Eighth Edition

February 26, 2004

This UL Standard for Safety consists of the Eighth Edition including revisions through July 19, 2023.

The Department of Defense (DoD) has adopted UL 262 on August 10, 1989. The publication of revised pages or a new edition of this Standard will not invalidate the DoD adoption.

Comments or proposals for revisions on any part of the Standard may be submitted to ULSE at any time. Proposals should be submitted via a Proposal Request in the Collaborative Standards Development System (CSDS) at <https://csds.ul.com>.
